

**REMARKS/ARGUMENTS**

After the foregoing amendments, claims 20-29 are currently pending in this application. New claims 21-29 have been added. Claims 1-19 are canceled. The title of the instant application has also been amended. The Applicants submit that no new matter has been added into the application by the foregoing amendments.

**Allowable Subject Matter**

The Applicants thank the Examiner for indicating that claim 20 is allowed. However, the Applicants noted that the Examiner, apparently accidentally, indicated that claim 20 is objected to on the Office Action Summary (Form PTOL-326), rather than indicating that claim 20 is allowed. The new claims 21-29 are dependent upon claim 20, and the Applicants believe that these claims are also allowable over the cited references of record.

**Conclusion**

If the Examiner believes that any additional minor formal matters need to be addressed in order to place this application in condition for allowance, or that a telephonic interview will help to materially advance the prosecution of this application, the Examiner is invited to contact the undersigned by telephone at the Examiner's convenience.

**Application No.:** 10/798,707

In view of the foregoing amendments and remarks, the Applicants respectfully submit that the present application is in condition for allowance and a notice to that effect is respectfully requested.

Respectfully submitted,
